

RESOLUTION ON FLORENIAN GOVERNMENT

5 September 2020

- I. The Kingdom of Florenia is grounded in the principles of community, equality, and democratic involvement. Our state and our government ought to reflect these principles.
- II. The Crown will govern on behalf of the citizens of Florenia with extensive prerogative powers. The Crown will appoint citizens to the Council of State to advise the exercise of these powers. The Council of State will administer the government of Florenia and exercise certain powers on behalf of the Crown.
- III. Parliament will pass legislation at its discretion which will enter into law with the assent of the Crown. Parliament is a direct democracy, consisting of all willing Florenian citizens of or over the age of sixteen years.
- IV. The Crown Court will mediate disputes between citizens and resolve cases of alleged violation of Florenian law. Florenia will not have a legal system which seeks to punish offenses and will not engage in restricting the behavior of citizens by statute by and large.
- V. All state institutions will seek to build consensus and recognize the close, familial bonds within the Florenian community.
- VI. Florenian citizens will vote in a national referendum on the text of this Resolution between 10 and 13 September 2020.
